Please mail completed scholarship applications to:

Laurie Savage
23301 Mount Ephraim Road
Dickerson, MD 20842

Or submit electronically to secretary@marylanddairyindustry.org

II. DAIRY AND AGRICULTURAL ORGANIZATIONS

Dairy/breed and other agricultural organizations to which you belong (including leadership roles):

Dairy or agriculture related activities and awards:

III. OTHER ACTIVITIES

School activities and awards:

Church and community activities:

IV. FARM AND WORK EXPERIENCE

Please list your responsibilities working on a dairy farm or in an agriculture-related business:

V. CAREER GOALS

VI. ESSAY

Recently, the audience attending the Golden Globes was served a plant-based meal for what was believed to be better for the planet. The dairy industry, along with others such as the beef industry, are being blamed for producing too much carbon. How would you respond to the Golden Globe audience as to why they should have been served dairy? How is the dairy industry taking steps to reduce their carbon output and improve the environment?
